

Respected Mr. Redactor.

My name is Andrei Gurov. I'm russian but under Subsidiarity protection in Romania since 04.09.2004.

I go to send two letters: one which I addressed to Swiss consulate and explain what is happened at the date of 4-th october 2021 in Swiss territory and second one rejection from OFPRA which I've got here, in Retention centre in Lyon St. Exupery.

Please, read them and you will clear understood all situation with me and how france authorities going asked the law, breaking it and covering "criminal under the law" and justice closing eyes for them.

Shortly: I was kidnaped in Swiss in Geneva city on 4 October 2021 with my dog. by france customs and illegally transfered in france with already expired passport. My dog was tookt from me. I wanted to apply in Swiss for protection of Geneva convention 1951 but france custom was kidnapped me and I has no choice as to do my application here in france.

If you read those letters, you will more understanding situation then I write on the this paper.

At this moment I'm in retention center.

S.P. A.F. CRA. St. Exupery, B.P. 106.

I was in prison "Beurg en Bres" from 05.10.2021 to 14.02.2022. then they transfer me here. I was in prison just for several times traveling without ticket but they considered my like a killer or dropdiller. They try to steel my dog - Rottweiler. The dog now in SPA in Oyonnax and that center for animals try to take illegally proprieties of the my dog.

I was arrested illegally from beginning and together with my dog transfered illegally in France. I have no one here. Just some people which want

to help me and the people in same situation like me but they do not have a power like you.'

Please read those letters and help me as you can. I go to give you the right to use my situation, put her in public. The interview with O.F.P.R.A. can be published - I give you the rights for this.

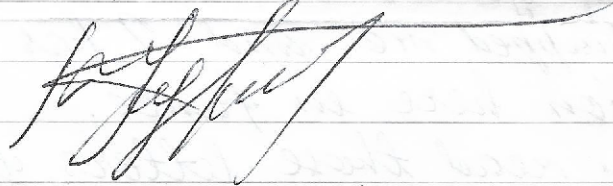

Also I was write the letter to Maurisian Embassy but they rejected because of they have no rights to decide.

So, you have three letters, please read and help me as you can.

I will pray for it.

With Respect: Andrei Gurov

21.03.2022

P.S. If you have any questions to me, you can call me on number: or visit me but for visit you have to call in the Retention center by number: and prepared R.D.V. with administration of center can explain to you how!
